

Working together to build a healthy future!

July 19, 2010

To Whom It May Concern:

The School-Community Health Alliance of Michigan (SCHA-MI) would like to formally invite you to support and/or participate in our first annual Golf Outing Fundraiser! ***Get into the Swing of Supporting School-Based Health Centers!***

SCHA-MI is a non-profit organization representing over 100 school-based and school-linked health centers within Michigan. These centers are positioned in communities where the majority of children are considered at-risk and vulnerable. Without these centers, many children would not have access to basic health care, including life saving immunizations! Please help us to carry out our mission, which is fueled by the belief that all Michigan youth have a basic fundamental right to access and receive comprehensive primary health care and prevention services.

Your generous sponsorship helps us carry out the following tasks that support vulnerable youth by keeping them healthy and focused:

- Provide necessary trainings that educate all health center staff and coordinators
- Advocate for and promote school-based and linked health and prevention services
- Educate the community, educational, social, and political leadership about the health needs of children and youth

With your support, we can help ensure that at-risk youth are given the support and care that is so essential to their success!

In order to ensure inclusion in the marketing materials for the outing, your commitment must be received by August 13, 2010. If you have any questions, or wish to discuss additional opportunities, please contact Jennifer Sweet at: 517-908-0847, or [jsweet@scha-mi.org](mailto:jsweet@scha-mi.org).

Health and Educationally Yours,

A handwritten signature in black ink, appearing to read "Jennifer Sweet".
