EMPOWERING YOUTH VOICE:

Building Health and Educational

Leaders for Change

in Michigan Communities

Project Voice is an annual gathering of youth brought together by the School-Community Health Alliance of Michigan to provide youth with cutting edge learning and leadership opportunities to become positive catalysts for change in their community.

Bridging the top health and educational issues are at the forefront of discussion, allowing youth to actively learn how to best communicate and advocate amidst personal challenges.

Project Voice empowers and instills youth with a sense of community investment as the next generation of public health and education leaders.

Approximately 200 youth and adult collaborators will gather in Lansing, Michigan in May 2011 for the **2nd Annual Project Voice: A Dynamic Approach to Youth Empowerment Conference**.

Date: May 16, 2011

Time: 8:30am Breakfast
9:00am Program Launch

Location: Lansing Community College
West Campus

Registration, agenda and materials will be available online as the Conference nears at www.scha-mi.org/pages/youth.html.

ABOUT SCHA-MI

The **School-Community Health Alliance of Michigan (SCHA-MI)** is a collaborative nonprofit organization supporting over 100 school-based and school-linked health centers and programs across Michigan. Centers are located in communities where the majority of children lack access to consistent, primary health care. Through our actions, commitment and passion, SCHA-MI believes that all Michigan children and youth have a basic fundamental right to access and receive comprehensive primary health care and prevention services where they are—in school. **Together, we strongly believe that healthy children are better learners.**
