

IT'S NOT OVER
H1N1 FLU

GET YOUR FLU SHOT NOW

Children are still at risk from H1N1 flu this summer.

Get them vaccinated now for **FREE**.

The H1N1 flu is not a seasonal flu.

It's active right now and it's a real threat to children and students. The best way to protect your child from H1N1 flu is to get them vaccinated.

The H1N1 flu vaccine is safe.

Millions of people have already been vaccinated with no complications or side effects.

It's convenient.

Your child can receive their H1N1 flu shot right here at school. You don't have to drive them to the doctor's office or to a clinic across town. And you won't have to take time off from work.

It's FREE.

The H1N1 flu shot is free —there's no charge to you.

**IT'S SAFE,
CONVENIENT
AND FREE.**
