

BECOME AN EVENT SPONSOR

School-Community Health Alliance of Michigan invites you to partner with us in supporting the health and well-being of Michigan's youth. Your organization has the unique opportunity to make a tangible impact by sponsoring one, or all, of these essential 2025 events.

We offer a range of sponsorship levels to fit your goals, and we are happy to work with you to tailor a sponsorship package that aligns with your mission. If you don't see an option that fits your vision, just ask—we'd love to collaborate!

Would you like only a display table at one (or more) of our events? Let us know, and we can provide further details on exhibitor opportunities.

We look forward to your response and the opportunity to work with you in strengthening school-based health care across the state. *Together, we can enhance the health, and sense of belonging for thousands of young people in Michigan.*
